Accomplishments:

Working on getting better on Flutter and Dart.

Challenges:

To continue learning dart and flutter at a good rate, so we can start programming for our app.

Plans / Goals for next week:

To continue working on Dart and Flutter and to continue meeting up with my Team and revise/talk about anything we might need done for the week.

Accountability plan: (What is your plan to keep yourself honest and follow through with the goals that you have outlined?)

I am motivated to learn these technologies and have a working app at the end game, I want it to be something great.

Other comments:
This project may be something really awesome.
