Password Encryption	!	!

Accomplishments:

Preferences and reccomendations finalizing.

Challenges:

Was to really organize our priorities over other ideas we might have.

Plans / Goals for next week:

We are going to do more paired coding over this new week.

Accountability plan: (What is your plan to keep yourself honest and follow through with the goals that you have outlined?)

Working in a team has motivated me to continue on.

Other comments:

This project may be something really awesome.
